가시적인 통찰력은
안정감을 주고
신체의 자유로움으로
갖게 되는
반성의 시각에
도달했다.
창조의 불충분한
조건으로부터
해방되어
축복의 공간을
마주할 수 있는
대자연에
휴식이 필요하다.

letter from my biological father: translation in "i/I"

I don't know where to start. Now that I sit down to write, my hands are trembling. I am nervous and I am also a little worried. I always wanted to see you. I always thought about you during 30 years. I know that a parent who abandoned baby has nothing to say, but I always thought about you, wanted to see you and was curious about you. I gave you up for adoption because your mother passed away after 2 months you were born. She left you to me but as I needed to take care of my mother but I am a farmer and I had no time to raise you and our situation was not well enough. I finally decided to send you away and called the adoption office to let you meet a nice parent rather than me. So please forgive me. After 30 years now I want to know if you had met nice parents, if you have grown up well, if you are married, if you are 30 years old now. Please forgive me who could not support you well. I am sorry.

A few months later after sending you away, I met a woman and got married. We gave birth to two children and raised them. Since then I worked at a factory but I left my hometown soon, and now I am living in a small apartment in a big city, Jiaobaobu.

30 years before I bought a small land in a new small town. I work at a small company and simultaneously doing farm work. My daughter is now 30 years old, and my son is now 27 years old. Each of them works at a different company. The mother also has a job. I will write you a letter. I am writing this 30 years, please understand that the content is not fluently related.

I am sorry, please forgive me. I young.

우리 너무 힘들게 살지 말자

계획에 없던 비바람에 우리는 서로 손을 잡는다.
미리 약속하지 않더라도 움켜쥐는 게 고작이라며 체온부터 나눈다.
누가 귀뜸해 주지 않은 불운도 마찬가지다. 피한다고 해봐야 고작 한 발자국,
스스로 선택할 수 있는 정도뿐.
세상을 쥐고 흔든 감염병포비아에서 연약한 존재를 수도 없이 확인하며
주저앉기보다 할 수 있는 만큼 지탱했음을 기억하라.

사람은 혼자가 아니라 누군가가 함께 있어야 산다.
떠받고 기대는 두 힘이 균형을 맞춰야 선다.
목표나 생각이 조금씩 달라도 혼자가 아니구나 하는 위로가 살게 한다.
어린 시절 술하게 했던 틀린 그림 찾기는 사실 달라진 부분을 살피는
치밀의 과정이다.
주변을 돌아보지 않고 잘못을 들추고 허술한 빈틈을 찾는
소모의 구렁텅이에 발 담글 시간은 없다.

다시 없을 것이라 장담할 순 없지만 우리 너무 힘들게 살지 말자.
내가 어쩔 수 없다고 지지도 말자.
한 번이라도 기회가 있다면, 아니 이제 삶이란 틀 안 불편했던 조각들을
툭툭 까부르는 기회를 놓치지 않을 일이다.

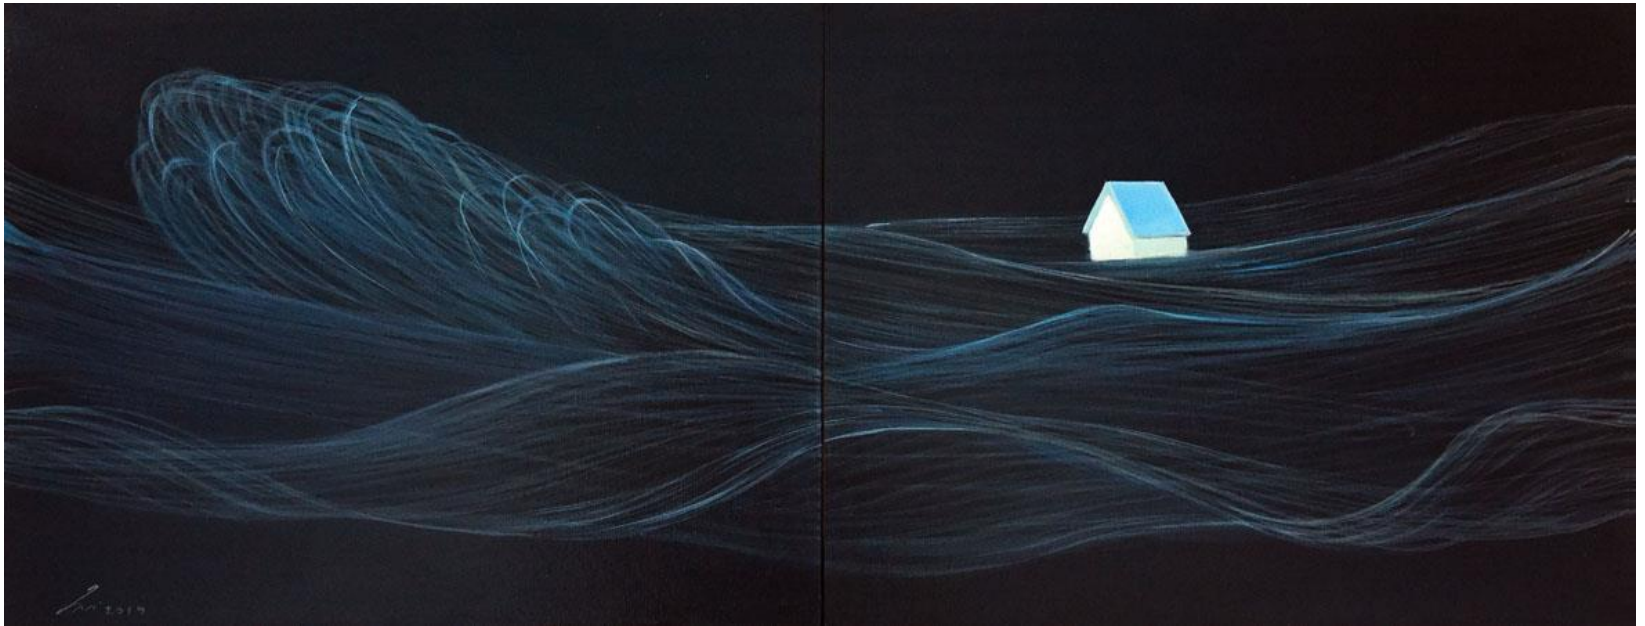

현재는 과거의 봉합이다. 잘 마무리하면 그랬었다는 좋은 흔적으로
만족을 향하겠지만 이해와 공감, 치유, 회복 같은 처방을 제때하지 못하면
결핍이란 흉터로 남거나 갈등으로 끓는다.

어떠한 현재도 완벽하게 만족스러울 수는 없다.
그러니 바란다.
남은 시간 무탈하기를.
우리 너무 힘들게 살지는 말자.
